Please note that these times are subject to change.

About the Hospital

The Kantonsspital St. Gallen is the main hospital of the Canton St. Gallen and the sixth largest of Switzerland. The hospital includes around 50 clinics, which are primarily located in the center of St. Gallen, the canton's capital.

In addition to its medical activities, the hospital is one of the largest training facilities in the region and offers center-based medical services at university level. Around 5,500 employees care about the personal well-being of each individual patient.

Accommodation

Accommodation is reserved by you at your expense.

Recommended hotel: Radisson Blu Hotel, St. Jakob-Strasse 55, 9000 St. Gallen, Switzerland

Registration

Registration is compulsory. Please contact your local A.M.I. representative for more information.

Deadline

Due to high demand, these workshops are often booked out months in advance, so please book your place early to avoid disappointment!

General Information

International participants: Zurich Airport is about one hour drive and has connections to all major locations in Europe. There is a very well developed train connection between Zurich Airport and St. Gallen

Depending on the participants, workshops will be conducted in German and/or English. Therefore a sound working knowledge of either language is a prerequisite for attendance. Numbers are strictly limited to a maximum of four participants. To respect the privacy of the patients, we kindly ask you to refrain from taking pictures during surgery.
