Surgical Workshop

Treatment of Hemorrhoidal Disease with TRILOGY (HAL-RAR)

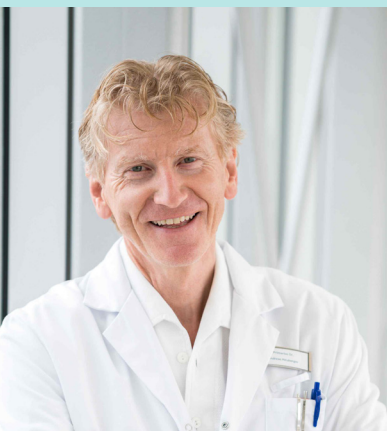

Date Dates are planned exclusively on an On-Demand basis
Location Krankenhaus Oberndorf
Paracelsusstr. 37
5110 Oberndorf

Content Theory and practical sessions will cover:

- Basics of hemorrhoidal disease
- Indications
- HAL (Hemorrhoidal Artery Ligation)
- The next step Recto Anal Repair (RAR) – mucopexy of prolapsing tissue
- Advantages and disadvantages
- Group discussion

About the trainer

Prim. Dr. Andreas Heuberger
Head of the Department of Surgery
Krankenhaus Oberndorf, Austria

Dr. Andreas Heuberger, Head of the Department of Surgery, is a highly-experienced colorectal surgeon and well-versed in endoscopic procedures, as well as minimally-invasive colon surgery. Together with his team, Dr. Heuberger can now look back on a vast number of patients treated successfully for hemorrhoidal disease with the HAL-RAR method, and he would be pleased to share the knowledge and experience gathered during these procedures with participants.

**Doppler-guided HAL
(Hemorrhoidal Artery Ligation)**

- Minimally-invasive treatment for lower grades of hemorrhoids

**HAL (Hemorrhoidal Artery Ligation
+ RAR (Recto Anal Repair)**

- Mucopexy of prolapsing mucosa
- No tissue resection necessary
- Low-pain and low-risk treatment for more severe hemorrhoids

Safe, gentle and effective treatment for all grades of hemorrhoids in one quick session.

Program

Day 1 _____

Arrival in Salzburg (airport/station) and transfer to the hotel - check-in to the hotel no later than 06.00 pm

06.00 pm

Theory commences in the hospital

07.30 pm

Dinner in the hotel restaurant

Day 2 _____

Approx. 08.00 am

Leave the hotel for the hospital in Oberndorf

Approx. 08.30 am

Surgery commences in the operating theatre

Approx. 01.30 pm

Workshop completion and departure to the hotel or directly to Salzburg. Return flights from Salzburg airport should be booked for no earlier than 04.00 pm.

Please note that these times are subject to change. A detailed schedule will be sent prior to each workshop.

About the Hospital

Located just 20 minutes from the delightful Austrian city of Salzburg, Oberndorf has a long history of providing medical care for its people, with the original "Holy-Ghost-Maritime Hospital" having been built towards the end of the 15th century. Today, the city can boast a new healthcare center that serves not only Salzburg and the surrounding region, but also the neighbouring county of Upper Austria and the most southern part of Germany, Bavaria. While offering state-of-the-art equipment, the hospital still maintains a friendly, familiar atmosphere with individualized patient care.

Accommodation

Accommodation is reserved by you at your expense.

Recommended hotel: Stadthotel Oberndorf GmbH, Untersbergstr. 25, 5110 Oberndorf

Registration

Registration is compulsory. Please contact your local A.M.I. representative for more information.

Deadline

2 weeks prior to the workshop. Due to high demand, these workshops are often booked out months in advance, so please book your place early to avoid disappointment!

General Information

Depending on the participants, workshops will be conducted in German and/or English. Therefore a sound working knowledge of either language is a prerequisite for attendance. Numbers are strictly limited to a maximum of five participants. To respect the privacy of the patients, we kindly ask you to refrain from taking pictures during surgery.
