Surgical Workshop

## Treatment of Hemorrhoids with TRILOGY

Date

Thursday, March 20 - Friday, March 21, 2025

Location

“Barmherzige Schwestern Krankenhaus Wien”  
Department of Surgery  
Stumpergasse 13  
1060 Vienna  
Austria

Content

Theory and practical sessions will cover:

- Basics of hemorrhoidal disease
- Indications
- HAL (Hemorrhoidal Artery Ligation)
- The next step Recto Anal Repair (RAR) – mucopexy of prolapsing tissue
- Advantages and disadvantages
- Group discussion

### **Trainer: Dr. Ingrid Haunold, Senior Specialist**

A senior member of the surgical team, Dr. Ingrid Haunold is an experienced colorectal specialist and active committee member for the Austrian Association of Coloproctology. Together with Professor Klaus, Dr. Haunold would be pleased to welcome you to “Barmherzige Schwestern Krankenhaus Wien”, and to share her knowledge of the HAL-RAR methods with you.

### **Doppler-guided HAL (Hemorrhoidal Artery Ligation)**

- Minimally-invasive treatment for lower grades of haemorrhoids

### **HAL (Hemorrhoidal Artery Ligation + RAR (Recto Anal Repair)**

- Mucopexy of prolapsing mucosa
- No tissue resection necessary
- Low-pain and low-risk treatment for more severe hemorrhoids

Safe, gentle and effective treatment for all grades of hemorrhoids in one quick session.

Workshop completion and departure.

**Approx. 01.00 pm**

Return flights from Vienna airport should be booked for no earlier than 04.00 pm.

Please note that these times are subject to change. A detailed schedule will be sent prior to each workshop.

### About the Hospital

Established in 1832, the “Barmherzige Schwestern Krankenhaus Wien”(Hospital of the Sisters of Charity Vienna) is one of Vienna’s most respected general hospitals. For many years, the facility’s clearly-stated mission has been to combine modern, responsible medicine with kind and tender care. Director of the Surgical Department, Professor Alexander Klaus, is not only an extremely competent surgeon, but is also strongly committed to providing patients with medical care of the highest level as well as a sympathetic ear. His department is able to handle the most demanding of procedures, carried out in well-equipped theatres using the latest methods. The department was also one of Austria’s forerunners in the use of the DG-HAL and RAR for treating hemorrhoids.

### Accommodation

**Accommodation is reserved by you at your expense.**

**Recommended hotel:** Hotel am Stephansplatz, Stephansplatz 9, 1010 Vienna

### Registration

Registration is compulsory. Please contact your local A.M.I. representative for more information.

### Deadline

**2 weeks prior to the workshop.** Due to high demand, these workshops are often booked out months in advance, so please book your place early to avoid disappointment!

### General Information

Depending on the participants, workshops will be conducted in German and/or English. Therefore a sound working knowledge of either language is a prerequisite for attendance. Numbers are strictly limited to a maximum of four participants. To respect the privacy of the patients, we kindly ask you to refrain from taking pictures during surgery.
