About the trainers

Dr. Gilbert Ayoub, Head of General Surgery Department Consultant General and Laproscopic Surgeon

Dr. Gilbert is a member of the Arab Medical Union in Europe, German Society of Surgery, German Society of Visceral Surgery. He has vast experience in Colorectal Diseases and Operations such as Laparoscopic Colon resection, Hemorrhoids and Anal Prolapse Surgeries.

Dr. Sokiyna Al Ameer, Consultant General and Laproscopic Surgeon

Dr. Sokiyna is a Consultant Surgeon in NMC Royal Hospital from 2016. During her service in the organization, she was awarded the Organization Special Achievement Award of the Year 2018.

**Doppler-guided HAL
(Hemorrhoidal Artery Ligation)**

- Minimally-invasive treatment for lower grades of hemorrhoids

HAL (Hemorrhoidal Artery Ligation + RAR (Recto Anal Repair))

- Mucopexy of prolapsing mucosa
- No tissue resection necessary
- Low-pain and low-risk treatment for more severe hemorrhoids

Safe, gentle and effective treatment for all grades of hemorrhoids in one quick session.

Trilogy

Locate. Ligate. Lift.
